# SAP MDM

The image displays two SAP MDM interfaces. The top window is the 'SAP MDM Console' showing a 'Console Hierarchy' tree on the left and a 'Fields' table in the center. The 'Fields' table lists various attributes like 'Short description', 'Packaging Description', 'Brand', and 'Extended description'. The bottom window is the 'SAP MDM Data Manager - Master\_001' showing a 'Hierarchy' tree on the left and a 'Records' table on the right. The 'Records' table shows details for 'ABG Syringes', including 'Name', 'Short Description', 'Image path', and 'Grouping'. A 'Record Detail' pane is also visible at the bottom right, showing specific data for the selected record.

**SAP MDM Console - Fields Table**

| Pos. | Name                  | Type                              | Keyword |
